- **Services outside regular working hours** - For services provided outside regular working hours (Monday to Friday from 9:00 AM to 6:00 PM), a surcharge of 50% of the service price is applied. For services provided on public holidays and weekends, a surcharge of 100% of the service price is applied.
- **Travel costs** - For on-site service, a travel fee is charged. Within Greater Prague, the flat rate is 25 EUR. For services outside Prague, the fee is 0.7 EUR per kilometer. This fee already includes compensation for the technician's travel time.
- **Nonstop hotline** - A call to the hotline at +420 606 702 999 is charged at 7 EUR per call. For customers with a service contract, this service is free. The phone line operates 24/7 and is intended for quick service request submissions. It is not meant for consultations.
- Remote service and consultations via phone or email are charged at the same rate as on-site services, but no travel fee applies.
- Service requests can be made in person, in writing (via fax or email), or by phone at +420 210 215 702. Confirmation must then be sent via fax to +420 210 215 709 or by email to [servis@dataline.cz](mailto:servis@dataline.cz).
- Orders must include a brief problem description, the requested service urgency, and contact details for the responsible person.
- The listed service and travel prices are exclusive of VAT. Service fees are billed in half-hour increments.
- The listed conditions and prices apply to equipment supplied by our company. However, service can also be ordered for equipment supplied by other vendors, in which case conditions and prices are arranged individually.
- For discounted prices, special conditions, or long-term regular service, we recommend signing an individual service contract.
- Specialized work is carried out only after a service contract has been signed for the respective equipment.
- This price list takes effect on September 1st, 2025. Upon publication, it nullifies any previously issued price lists.
